SECTION 2. MY COMMERCIAL HEIFER PROJECT STORY

List Project Summary and Learning Experiences. Include information about yourself and your family, why you chose to do the commercial heifer projects. The breed of your heifers and why you chose that breed? What and how you feed them etc...? What have you done and what have you learned? How has your project changed and or grown? You can include learning experiences and knowledge gained that is applicable to your commercial heifer project. Individually directed project learning experiences are also acceptable. The story should focus on information from the current year; however, it may also include information from prior years to illustrate project growth and time spent in the project. Relevant photos maybe added if they help in explaining your story and your heifer project. This section should read like an easy. More photos can added to the photo portfolio in Section 4. **Maximum page limits: Junior - 2 pages Senior – 4 pages. Max of 4 photos for both age divisions.**
