2022 BCJLHS DEDICATION

The Lohse Brothers

Carroll Wayne and Bill Lohse are Bee County raised brothers who have been a part of the Bee County Jr. Livestock Show for as long as they can remember. They were raised just south of Skidmore with their sister, Katherine Lohse McDonald. While attending STISD, their involvement in the BCJLS consisted mostly of showing steers and a few hogs. Their sister, Katherine was more involved in the homemaking side of the show, but Carroll and Bill also turned in a few cooking projects during their “show careers”. They were all involved in some manner and were members of Skidmore 4-H, Skidmore FFA, while also participating in school sports.

Carroll graduated from Skidmore High School as the Valedictorian in 1966 and went on to receive his degree from Texas A&M University in Plant and Soil Science in 1970, then served in the U.S. Army Reserves. His younger brother, Bill graduated from Skidmore High School in 1969 and continued his education at Texas A&M University graduating with a degree in Agronomy in 1973.

The brothers have been actively involved in Bee County all of their lives. After a few years working in other agricultural related jobs, Carroll at the Texas A&M Experiment Station and Bill with the Soil Conservation Service, each of them moved back closer to home to begin a family farming partnership with their dad, Henry Lohse.

Carroll has served on the Skidmore-Tynan School Board, the Skidmore-Tynan Booster Club, the Bee County Co-op Board, and is currently serving on the Coastal Bend College Board of Trustees. Over the years, he helped weigh in hogs and was a ring man for the hog shows. Bill has served as Superintendent of both the Steer and Hog show divisions of the BCJLHS, and has served on the BCJLHS Sales Committee. In addition, he has served on the Bee County Soil & Water Conservation Board, the Skidmore-Tynan Booster Club, and the Bee County Co-op Board. Both are active members of Faith Lutheran Church in Beeville and have served on the church council. The brothers have served as Ring-men/Spotters at the BCJLHS Premium Sale for as long as they can remember.

The Lohse brothers' families have also been an integral part of the Bee County Jr. Livestock & Homemakers Show over the years. Their wives, Day and Barbara have helped with the sale, served on the board and the BCJLHS sales committee, and helped with judging homemaking, and helped with check in. The brothers each have a son and daughter: Kevin, Beth Ann, Matt, and Mandi. They share 11 grandchildren between the two of them. All of their children have shown in the BCJLHS and Bill's daughter sold the first animal that was auctioned inside the coliseum, instead of the show barn at the Premium sale. This past year, the first Lohse grandchild showed hogs at the BCJLHS, keeping the family tradition alive.

2022 BCJLHS MEMORIAL

Randy Walls

Randy Walls was born April 2, 1952 in Lamar, Colorado. He graduated from High School in Elkhart, Kansas and later attended Colby Community College in Colby, Kansas before enlisting in the United States Navy, where he was stationed at Naval Air Station Chase Field in Beeville, Texas. He loved the rodeo life and Texas seemed the place to be for doing just that.

While serving in the Navy at Chase Field, Randy searched for extra work to do on his time off. He didn't have to travel far when someone suggested a rancher up the road in Berclair might need a few hands to work cattle. He gathered up a few buddies and went to visit J.V. "Jack" Branch. Little did Randy know that there he would not only find his new home, but also the love of his life. Many were the adventures of these two and lots of miles in between, but you could always be sure that Randy and his wife Brenda traveled every mile together.

After leaving the Navy, Randy went to work for the Texas A & M Experiment Station just outside the city limits of Beeville. Here he discovered his passion for cattle reproduction through artificial insemination. The knowledge he acquired there would prove to become his livelihood and foundation for his next career. Through his life he would work at several ranches in the county such as the Triple J and the Guajalote Ranch, all the while continuing his cowboy life.

Randy was well known for always wearing a Wrangler snap shirt with his King Ranch canvas vest and his bandana handkerchief around his neck fastened with a deer horn. He always went "Cowboy" style. For many years he was active in his daughter, Brandy's Boots and Saddles 4-H Club. He was always willing to lend a hand in any 4-H functions that she participated in, including the Bee County Junior Livestock and Homemaker Show. Later came the chance to continue his passion for helping 4-H kids through his grandchildren, Randee (Corrigan) Gisler, Jodee Corrigan and Jackee Corrigan who all showed livestock in this show. Many will remember Randy best as volunteering each year to be one of the ring men for the Livestock Show Auction. He could spot a bid a mile away and has probably encouraged hundreds of people to empty their pockets for this great cause. The last time Randy was able to attend the Livestock Show Auction was in January, 2020 as he stood proudly at the backdrop beside his youngest granddaughter Jackee with her Red Angus, Reserve Breed Champion Steer named "Bodacious." His signature mustache could not hide the huge smile on his face as he realized he had come full circle with all of his family.

Randy was a deacon at the First Baptist Church of Skidmore, Vice President of the Bee County Farm Bureau chapter, a member of the Beeville Masonic Lodge, a member of the Bee County Wildlife Association, and also a member of the Beefmaster Breeders United. Randy was a man of many talents, a loyal steward of God's word, a loving husband, father, and grandfather.
